WELCOME TO HALIBURTON WINTER CARNIVAL

The big weekend has arrived and the Fourth Annual Haliburton Winter Carnival is all set to go. People from all parts of Ontario are making their way to Haliburton for a weekend of fun and frolic.

The 1972 Winter Carnival this year is being sponsored by the Rotary Club of Haliburton, with the support of various organizations in the community. The Carnival Committee have been working hard in putting the finishing touches to what they hope will be the best carnival yet.

Financial contributions from the Council of the Municipality of Dysart et al, the Rotary Club of Haliburton, the Haliburton Highlands Chamber of Commerce

and as well as those generous donations from the Haliburton businesses and individuals that are listed in the 1972 Haliburton Winter Carnival program book make this winter weekend affair possible, so to one and all we say "Welcome to Haliburton and the Fourth Annual Winter Carnival".

Outlined below are some of the outstanding features to be seen at this year's carnival.

Carnival Bonspiel

The Annual Carnival Mixed Bonspiel will take place at the Haliburton Curling Club this weekend and they will be competing for the Hiram Walker Trophy. Draws will begin on Friday evening at 7:00 p.m. and

again on Saturday at 9:00 a.m. The Toquepic Tavern will be open to everyone during the bonspiel at the Club, and the snack bar will be open as well.

Carnival Kick-Off

For the young set the judging of Miss Carnival Queen will take place at the Haliburton Highlands Secondary School at 9:00 p.m. Following this will be a Teen Snow Ball featuring the popular "The Copper Penny".

A Carnival Opening and Get Acquainted Dance is to be held at the Royal Canadian Legion Hall, including a midnight snack, beginning at 8:30 p.m. on Friday night. This should provide an opportunity for everyone to enjoy an evening of dancing and fun to instill the true carnival spirit. The Carnival will be officially opened at the Canadian Legion Hall at approximately 10:30 p.m. with the introduction of Miss 1972 Carnival Queen.

Guests At Carnival

The 1972 Haliburton Winter Carnival will be graced with the presence of two well known Canadian Broadcasting Corporation personalities in Bill McNeil and Peter Whittall, who will be in attendance at the various carnival functions.

Bill McNeil was born in Glace Bay, Nova Scotia, on May 30, 1924. In mid-1953 McNeil moved to Toronto as assistant editor of News Roundup and in 1956 he became editor of the program. Two stories he covered during this time were picked up by networks throughout the world — Hurricane Hazel and the Andrea Doria disaster. In the summer of

1956 McNeil resigned his editor's post to assist producer Harry Boyle in planning a new C.B.C. interview series, Assignment. When the program began on October 1, 1956, McNeil was host, writer and program organizer. During this time McNeil has interviewed political leaders, beauty queens, show business personalities and ordinary people with interesting stories from Victoria to St. John's, Newfoundland, and has travelled throughout the United States, British Isles and Europe.

Most people regard Peter Whittall as a westerner. Actually, he's a westerner by default because "Mr. Fix-It" was born on March 13, 1907, in Toronto. He joined the C.B.C. in Winnipeg in 1942 as assistant farm commentator. In 1950 he was promoted to the C.B.C.'s Toronto studios as national office producer in charge of Farm Forum and Summer Fallow, two half-hour radio farm programs. In addition to having starred weekly on the Mr. Fix-It television program for over 10 years, Peter writes fix-it articles for various Canadian and American publications, is editor of The Canadian Craftsman magazine, and editor and publisher of three Mr. Fix-It manuals. Peter's professional activities include appearances at home shows, boat shows, hardware and building shows, sportsman's shows, service clubs, how-to-do-it schools in lumberyards, halls, hotels and exhibitions.

Minor Hockey Events Planned

The kids will again have a chance to participate in this

year's Carnival at the Arena when the local Minor Hockey teams will take on teams from the Toronto Hockey League beginning at 9:00 a.m. on Saturday. This will be tough competition for our boys to face and we are happy to welcome the teams, coaches and parents from Toronto. Be sure to take your children to the Arena this weekend.

Snowmobile Event

On Saturday at 10:00 a.m., from the Rotary Beach, a 20-mile snowmobile trip has been scheduled to Koshlong Lake with a cook-out lunch. This trip is planned to be back to Haliburton in time for the Carnival Parade.

On Sunday at 10:00 a.m. a special 60-mile snowmobile trip to Kennesis Lake and back will be featured, with a snack or hot meal available at the famous Cookhouse at Haliburton Forest & Wild Life.

These trips will be guided by local snowmobile enthusiasts, and they are planned for family entertainment.

Two Luncheons Again This Year

This year the Anglican Church ladies, as well as the United Church ladies, will be going all out again to keep our visitors and local residents well fed. On Saturday at noon a Buffet Luncheon will be available at the Anglican Church Hall, and on Sunday at 12:30 p.m. the United Church women will serve up a Toquepic Luncheon at the Curling Club. These are two memor-

Richmond Hill Wins Skyline Bonspiel

The 13th Annual Skyline Bonspiel was held this past weekend in Haliburton with 32 rinks participating and representing a total of 17 different clubs.

The event got underway at 4:00 p.m. last Friday afternoon with the first draw and ran continually throughout the weekend until the following winners of each event were decided upon late Sunday evening:

The Adam-Labatts Event - The first prize and trophy was won by Irwin Coneybeare's rink from Richmond Hill, second prize Hank Vos's rink from Richmond Hill, third prize Jack Brown's rink from Whitney and fourth prize Jack Naylor's rink from Oshawa.

The Lloyd Moore - Esso Event -

The first prize and trophy was presented to Doug Hutton's rink from Scarborough, with second prize being taken by Bev Smith's rink of Oshawa. Third prize in this event went to the Scarborough Firemen's rink and fourth prize was taken by Dave Smith's rink from Uxbridge.

Curry Motors Event - The first prize and trophy was won by Sinc Davies' rink from Rexdale, while second prize was taken by John Piper's rink of Oshawa. Wayne Hussey's rink from Oshawa placed third and Howard Black's rink of Lindsay took fourth prize.

This bonspiel has had Jack Robertson as Committee Chairman throughout its history, and has been a continual success. We look forward to receiving the Skyline curlers in 1973.

Man Killed After Snowmobile Collides With Car

Another name was added to the growing list of snowmobile victims in this area over the weekend. Dead is Donald Emmerson Beemer, 26, of Morningside Ave., West Hill, drive of a snowmobile which crashed head-on into a car on the Horseshoe Lake Road about three miles north of Minden on Sunday afternoon.

Driver of the car was James William Smith, 43, of Scarborough Road, Toronto.

The force of the impact hurled Beemer off his machine and caused an estimated \$700 damage.

Minden Children Not Injured In Car-Bus Collision

Twenty children on their way home from school in Minden escaped injury last Wednesday afternoon when the bus in which they were riding and a car crashed almost head-on on a narrow road about six miles out of that village.

Ontario Provincial Police at Minden report that the bus, owned by David Stamp of Minden and driven by Frank Carpenter, 62, of R.R. 1, Minden, was taking the children home from the Archie Stouffer Public School about 4:00 p.m. along the South Lake Lodge Road, east of the village, when the collision occurred.

Driver of the other vehicle, a station wagon, was Robert Wilson, 32, of R.R. 1, Minden.

Police said the mishap took place on a curve on the narrow road as the two vehicles met.

The Wilson car sustained an estimated \$375 damage and the damage to the front of the bus was set at \$125.

BANCROFT JETS TO BE OPPONENTS THIS SATURDAY

The Bancroft Jets will be in Haliburton this Saturday night to meet the Haliburton Huskies at 8:00 p.m. in the Haliburton Arena in Junior 'D' hockey.

Two Year's Probation For Camp Shooting

A Victoria County General Session jury took less than one hour last Wednesday to convict a staff member of a boys' summer camp in Haliburton County of criminal negligence in the shooting of a camper in the summer of 1970.

Judge H. E. Richardson placed Campbell Scott Taylor, 19, of Prescott, a student at Loyola College, Montreal, on probation for two years.

The charge arose out of the shooting of Peter Holtby, now 16, of Toronto, in August two years ago at Camp Onondaga.

Holtby said he was picking up pop cans to be used as targets at the camp's rifle range when

he was struck in the mouth by a bullet from a .22 calibre rifle fired by Taylor.

Taylor, it was learned, was a staff member at the camp and was, in fact, in charge of the rifle range.

The accused, in his defense, said he did not know the gun was loaded although he admitted sighting it across a wooden backstop at the end of the 60-foot rifle range.

The Holtby boy was in hospital on four occasions for treatment of the wound, on one occasion for a bone transplant for his lower jaw.

The jury made no finding on a second charge of dangerous use of a firearm.

Granted \$13,360.00 Under Local Initiatives Program

Mr. R. E. Kenzie, Manager of the Peterborough Canada Manpower Centre, announced this week that the Haliburton County Board of Education has been granted \$13,360.00 under the federal government's Local Initiatives Program.

Mr. Kenzie said, "We in Canada Manpower are pleased about the project. Not only will it provide much needed work in the area, but it will be a definite asset to this community."

"The federal government's assistance, through the Local Initiatives Program, will mean that this much needed job of nature trails, park area, clearing of two acres of bushland behind the school for a play area will now get underway", said Mr.

Kenzie.

The \$13,360.00 project is one of many applications received so far in Ontario, and Mr. Kenzie reminded other interested parties that the deadline for submissions under the Local Initiatives Program is January 31, 1972.

"An important fact to keep in mind", he said, "is the recent announcement that the original thirty-man month minimum requirement has been reduced to fifteen man-months. Any projects previously rejected because of failure to supply thirty man-months of work may now be re-submitted."

R. E. Kenzie said that participation in the Local Initiatives Program has also been expanded to permit educational and health institutions to apply.

HALIBURTON NEWS LETTER

The Haliburton Fire Department members were out in full force early last week in Haliburton gathering up the Christmas trees for the giant Bonfire which will take place at the Community Ball Park on the Saturday night of this weekend's Haliburton Winter Carnival. We understand that the pickup was a real success.

When the citizens of Haliburton woke up on Sunday morning they found that it was one of the coldest mornings on record here for some time, and the lowest temperature we had reported to us was at the home of Mr. and Mrs. Ed Fajar where the thermometer registered at 44 degrees below zero. Man, that's cold!

A new business has opened in Haliburton which will be owned and operated by Mr. Harold Kennedy and will go under the name of Kennedy Surplus & Exchange. The new business is located on Maple Street across

from Emmerson Lumber Limited. This new enterprise will carry government and army surplus, new and used furniture and appliances, plus equipment rentals. Added features will be the Empty Bottle and Can Depot for the Brewer's Warehouse and will also be agents for Jackett Dry Cleaners. We wish Mr. Kennedy the best of luck in his new business venture.

The Haliburton Winter Carnival Committee wish to remind everyone that now is the time to start working on your snow and ice sculpture in conjunction with the Carnival. This year's Snow and Ice Sculpture Contest is being held with three prizes to be awarded of \$20.00, \$10.00 and \$5.00. The theme of this event is contemporary politicians in Canada.

And still on the subject of the Haliburton Winter Carnival, we would like to urge you to keep up your Christmas lights until the Carnival is over.

Weekend Split Leaves Haliburton Huskies Juniors In Third Place

The Haliburton Huskies are now in third place in the Central Ontario Junior 'D' Hockey League after games played last weekend in which the Huskies trounced the Bobcaygeon Ti-Cats to the tune of 8-5 but lost to the Bancroft Jets 9-5 on Sunday afternoon. This loss to the Jets leaves the Huskies two points behind Bancroft, with games this weekend in Bobcaygeon on Friday night and then the same Jets will be the opponents on Saturday night at the Haliburton Arena which should be a very interesting game. The Bancroft-Haliburton game will be the contest featured before the Carnival crowd which, during the past few years, have averaged around 600 fans. This game should be a highlight as both clubs are battling for second place in the standings.

On Saturday night the Huskies jumped into a 5-1 lead by the end of the second period, with the line of Hicks, Bain and McCallum being the trio that grabbed a lot of the scoring during the game. This line seemed to jell into a solid unit as they skated and checked, with some very effective passing plays resulting in goals. Larry LaPorte opened the scoring at the 16:23 mark of the first period with his first goal of the year from the point. In the second period Bob Woodcock scored after the Ti-Cats had tied the score at 1:05, and the Haliburton Huskies then pumped in three unanswered goals by Campbell, Hicks and Bain. The local Huskies eased off in the third period and the Ti-Cats outscored Haliburton four markers to three but the game was out of reach. Hicks scored twice more for the hat-trick with McCallum getting the other tally.

Intermediate 'D' Club Posts 6-5 Win

On Saturday night, January 15, the Wilberforce Lumberkings defeated the Apsley club in an Intermediate 'D' Hockey League game by a 6-5 decision. Apsley pulled their goaltender in the last two minutes of the game in an attempt to score the equalizer but failed in their bid. The Lumberkings were paced by the three-goal performance of Bev Billings and Bill Watson, Morris Elliott and Mac Gadoway each scored a marker, with Gadoway's goal proving to be the winner.

The Wilberforce Lumberkings will play host to Fenelon Falls this Saturday night at the Wilberforce Arena.

In Bancroft on Sunday the Haliburton defence collapsed as the Jets scored on three breakaways before the second period had ended, after the Jets had jumped into a 4-2 first period lead. Gerry McElwain notched both the goals for the Huskies. At the end of the middle frame it was 7-4 for the Jets, with Roger Bain and McElwain being the marksmen for Haliburton. The Huskies made several attempts to get back into the game but the poor play of the defence nullified any efforts for a comeback. The Jets rammed in two more goals in the third and Bain finished up the scoring for the Huskies. Dennis Good played a steady sixty minutes and could not be faulted with most of the goals.

This week's games could very well tell the tale of who will end up in second place as the game against the Bancroft Jets will pretty near clinch the second spot. The Haliburton Huskies are preparing for this game as it will be necessary for them to stop the line of Palbiski, Hawley and Dunne who are the highest scoring threesome in the league. If they can keep them off the scoresheet, the Huskies will have a good chance to defeat the high flying Jets. A good crowd is expected as everyone will be in the carnival spirit and looking forward to a good game of junior hockey.

Whitney Trail Re-opened To Snowmobiles

The Haliburton County Snowmobile Association is pleased to report that the Hydro line trail to Whitney is open again. In a direct communication from the District Forester of the Department of Lands & Forests, Lindsay, we were assured that the route will remain open for the 1972 season. It must be stressed, however, the trail ONLY is open and not the entire Park. How long it will remain open will depend on how we use it.

This concession to snowmobilers in the Haliburton and Whitney areas was brought about, not by the Haliburton County Snowmobile Association alone, but by the combined efforts of several organizations and a number of individuals who saw the closing of the Whitney trail as a hardship to snowmobilers and a severe blow to the economy of two counties. The Association is deeply grateful for the support.

JUNK GOOD FOR A CAPITAL GAIN

Either I'm slowing down or life is speeding up. Probably both, which is one reason I'm so confused these days. The other reason is that I've always been confused.

For one thing, the new tax legislation. It may be manna to lawyers and accountants, but to the ordinary, rather stupid Canadian, like me, it's like wandering around in a bog in a fog, blind-folded.

What did I do before Valuation Days were announced? Nothing. I didn't have a clue where to start, and besides, the whole thing had about as much fascination for me as a January sale.

Now I discover that I should have valued some of my precious antiques and stuff, so that I could pay taxes on them when they increase in value.

Well, I haven't any stamp collections or coin collections or paintings that are going to increase in price steadily. I don't have a summer cottage, which seems to be a bad thing to have, according to the papers.

But I do have some antiques. There's the violin, for example. It's an authentic hand-made instrument. My Uncle Tom made it about forty years ago, and somehow it came into my possession. No one in the family has played it, because there is only one string, the bridge is broken, and the frame is slightly warped. Therefore, it's not just junk, but almost pristine, and surely is increasing in value daily. The case in which it is enclosed is equally antique, (I'd say about 1850 vintage). I definitely slipped up there. That thing could be worth as much as \$38 in ten or twelve years, and I got it for nothing. How much will a rapacious government snatch from me in capital gains for that?

And the beds, of course. They are genuine antiques. My mother bought them at an auction sale, and they must have been 100 years old then. We inherited them, and they're probably priceless by now.

How about my hip waders? If they're not antiques, I'll eat your hip waders. They're so old I can't remember when I bought them, and they are full of genuine holes, just like old furniture.

And where does my wood-pile come in? One of my oaks blew down last summer, and I had it cut into firewood. Now I didn't

pay for the oak when I bought the property, and I have about \$35 worth of wood there. Do I pay capital gains tax on it?

Enough of that. I'm becoming steadily more worried. I can see my entire estate going down the drain to the greedy tax collector.

Something else has me just about as puzzled. It's the educational system. It's different in every province, so that you can learn as much in twelve years in Manitoba as you can in thirteen years in Ontario. That is understandable, because of the difference in climate (the only reason I can think of).

But a whole new, frightening aspect of the blackboard jungle is being introduced in my province. It's probably something the Yanks tried out ten years ago and found unworkable and have since abandoned. That's the way Canadian education, at its worst, seems to operate.

Beginning next September, the kids and their parents choose what subjects the kid will take in high school. So far, so good. I've always been opposed to the old, rigid system under which you had to take math or French or something you were hopelessly inept at. I think there should be lots of options.

But surely, this is going a bit far. The provincial government, with the aid of federal help, has spent millions and millions of dollars setting up schools with all manner of equipment, especially in the technical departments.

Different subjects, let's say English and History, will be vying for students so that teachers won't lose jobs. The History department will make its play by showing pictures of nude statues of Rome and Greece and the Renaissance. But I've laid my plans too. We're going to lay in a supply of dirty modern novels, and also give everybody at least 75 per cent.

Don't tell me that a 13 or 14 year old will choose anything except what he thinks are the "easiest" subjects. This could lead to courses in basket weaving, archery, or mope and gawdery.

And what do I do if the principal informs me that nobody wants to take English next year? I'm not a bit worried. I am convinced I can cook better than some of the Home Economics teachers, and could fit in nicely there. I know the first four letters of the Greek alphabet, and could teach Greek in a pinch.

Unusual Hobby

Some people go through life with only their own welfare in mind while others live a long and useful life making others happy. Consider the very unusual hobby of a charming old bachelor farmer who resides on the north shore of Beech Lake in Stanhope Township. Oscar Sisson was 85 years young last year and since November has knit 27 pairs of mitts for those who, through unfortunate circumstances, have suffered poverty or adversity. Three pairs were sent to the children of a Haliburton family who lost their home in a tragic fire not long ago and many more are included in bales of clothing which are forwarded to Indian children throughout the north-land.

Oscar has more zest for living than many who are only half his age. Living in a comfortable new bungalow with his niece, Isabelle Gibbs, he still finds time to tend the garden, feed the dog, watch TV, play euchre and enjoy good food — when he isn't knitting! Drop in and say "Hello" to this fine man some day — it will give you a real lift. You may learn the secret to longevity in the bargain.

CHURCH NEWS

MINDEN GOSPEL CHURCH ANNUAL BUSINESS MEETING

On Saturday evening, January 8, 1972, thirty-six members and adherents of the Minden Gospel Church sat down to a Fellowship Pot-Luck Supper. The occasion was the annual Business Meeting of Minden Gospel Church.

The Treasurer's report showed a record year financially, with the total receipts for the year ending December 31, 1971, being \$8,430.00 and disbursements at a total of \$8,793.00. A sum of \$2,790.00 was given for Home and Foreign Missions.

The church sustained a sad loss as a congregation in the passing away of Mrs. Aylmer Moore, one of the most recent additions to their membership.

ANGLICANS AND UNITED SHARE IN WORSHIP

On two consecutive Tuesday evenings the Haliburton United Church and St. George's Anglican Church people will meet to experience and participate in each other's worship. Reverend Fred Clappison, United Church minister, hopes that people will be able to discover the common ground underlying worship patterns that sometimes seem so different.

The first evening — Tuesday, January 25 — marks the final hours of the World Week of Prayer for Christian Unity. Anglicans celebrate this day in honour of Saint Paul. The evenings begin at 7:30 with dessert and coffee. Reverend Fred Ford, Rector of St. George's Church, promises that the first evening, which will be at the Anglican Church, will conclude by 9:00 p.m.

Fred Clappison and Frank Ford, in announcing these evenings, reminded their congregations that throughout most of the history of the Christian church a basic principle has governed the structure of public worship. The principle is simply that sermon and supper belong together as the full diet of public worship. Where it may not be possible to celebrate the Lord's supper every week, this

principle none-the-less governs the structure.

All worship, whether using contemporary or Victorian English, whether in modern or traditional pattern, must relate worship to the action of the Christian in the world. What Christians do in the world should affect what they do at worship.

DEMONS SELFMAD ALSO

Although created perfect, an angel came to be a resister and slanderer of Jehovah, and so became known as Satan and the Devil. But how did his followers or the demons come into existence? The Devil was not the only spirit creature to turn to disobedience and wickedness. Jehovah had created a number of holy angels, millions of them. Daniel 7:10 reveals a portion of them as being one hundred million. The Bible record at Genesis 6:1-5 explains that before the flood of Noah's day some of these spirit "sons of God" materialized as men, that is, they left their place in heaven as spirit creatures and clothed themselves with fleshly bodies. And why? To enjoy human passions by marrying the good-looking daughters of men. This was an act of disobedience to Jehovah, and the Bible associates it with the actions of the people of Sodom and Gomorrah who "went after flesh for unnatural use" (Jude 6, 7). So, too, it was against their heavenly nature for angels to come down and marry humans. Their course brought bad results, including a freakish offspring, "mighty ones" called Nephilim. By their rebellious action, those spirit sons of God turned themselves into demons and put themselves on the side of the Devil, who is the ruler of the demons — Matthew 9:34.

When the global flood of Noah's day destroyed all the wicked humans, the unfaithful angels dissolved their fleshly bodies and returned to the spirit realm. But they were not allowed to become part of God's organization of holy angels again. Instead they were confined in a debased condition of spiritual darkness (II Peter 2:4). Since the flood, Jehovah has not permitted

these demonic angels to materialize in the flesh as humans as they did before. Yet they can still exercise dangerous power over men and women. In fact, with the help of these demons, Satan is "misleading the entire inhabited earth" (Revelation 12:9). The great increase in wrong doing that we see all over the earth today should alert us to the need to be on guard against being misled by them.

Ray Zwidayk,
Haliburton.

THE SCRIPTURES, THE FINAL REVELATION

As the Apostles preached they spoke of their ministry as "in part", and prophesied of "that which is perfect" which was to come (I Cor. 13:9,10) signalling the end of miracles, prophecies and tongues. It is evident that the Scriptures, especially the New Testament Scriptures, contain this final revelation "that which is perfect".

(1) The Scriptures make the man of God perfect, completely furnishing him unto every good work (II Tim. 3:17). The oft repeated assertion that (II Tim. 3:16,17) refers only to the Old Testament faces the following facts: (a) The Old Testament Scriptures alone could not make Timothy "wise unto salvation through faith in Christ Jesus" (3:15); (b) Most of the New Testament Scriptures had been written by this time, near Paul's departure (4:6); (c) The New Testament writers called their own writings by the term "Scriptures" — Peter calls Paul's writings Scripture (II Pet. 3:16).

(2) The New Testament Scriptures contain "the faith which was once delivered unto the saints" (Jude 3). They contain "the faith" in that they contain the body of truth delivered to the saints which creates (Rom. 10:17), maintains (I Tim. 4:6) and governs or limits our faith (II Thes. 3:14).

(3) The Scriptures show in themselves "the unity of the faith" (Eph. 4:13). They bring us into "a perfect man", to "the measure of the stature of the fullness of Christ". Thus in the possession of the Scriptures as God's final revelation. The saints are to "be no more children", but are to "grow up unto him in all things, which is the head even Christ".

(4) The Scriptures contain "all things that pertain to life and godliness" (II Pet. 1:3) because they furnish us unto every good work, make the man of God perfect and save him (Jas. 1:21). Hence the Scriptures are powerful (Heb. 4:12), unbreakable (Jno. 10:35) and profitable for every element of man's spiritual life. These elements are (a) doctrine or teaching, (b) reproof or measuring the practice and faith of those taught by the rule of God's word, (c) correction or rebuke administered to those whose practice and faith do not meet the requirements of the Word, and (d) instruction or discipline in righteousness executed on those who will not stand correction.

The person therefore who has been corrected and restored to the right way needs to know how to live right. The Scriptures fill that need — they are profitable for instruction in righteousness. "Thy word is a lamp unto my feet, and a light unto my path" (Ps. 119:105). So the Scriptures thoroughly furnish the preacher or teacher with everything he needs in teaching people, convicting them, correcting them and instructing them in the right way. Thus equipped he is complete, furnished completely unto every good work. "So then faith cometh by hearing and hearing by the word of God" (Rom. 10:17). He is lacking in faith if he injects some of his own wisdom and inventions. Any addition to that which is complete makes it incomplete. You may know many things, but you will never know as much as God knows. So do not delude yourself by following your own ways.

Evangelist John S. Whitfield,

F.P.A.P.A. Meeting Held In Bancroft

The Bancroft District Committee of the Forest Products Accident Prevention Association held a meeting on December 9, 1971, at the River Bend Motel in Bancroft. Members present were Leonard Evans, James Manley and Simon Sleeper of G. W. Martin Lumber Co.; Elmer Schutt (logging); Randy Welburn (logging contractor); Gary Bruce (chain saw, chain retailer); Gary Cannon and Alex McGregor of McRae Lumber Co.; Ray Koslie (Lands & Forests); Rudy Leboeuf and Len Woito (F.P.A.P.A.); William MacKenzie (logging contractor); Charlie Murphy (sawmill); and Bruce Gibbs of Wilberforce Veneer and Lumber Co. Ltd.

The minutes of the meeting of October 28, 1971, were read and adopted on a motion by William MacKenzie, seconded by Gary Cannon.

A discussion then followed regarding a tree felling contest to be held at the same time as the Kinsmen Snowmobile Races, February 26, 1972, in Bancroft. The location and further details are to be arranged by the following committee: Peter Freymond (Chairman), Alex McGregor, J. Manley, Gary Bruce and Bill MacKenzie.

The members were then asked to consider the noise pollution problems - the Bancroft committee's project of the October 28

meeting. After some discussion and opinions of the members the following motion was made: "Barry Martin and Bruce Gibbs be a committee to draft a letter regarding action on noise control and a copy to be forwarded to Mr. Stan Morrison, 74 Victoria Street, Toronto, for his comments and approval. The following to be presented to the Bancroft Committee Meeting of February 10, 1972." This was moved by William MacKenzie and seconded by Alex McGregor.

A serious reminder was then made by Len Woito of F.P.A.P.A. regarding safety in the tree felling operation. Mr. Woito asked all members to enforce safer methods in handling of lodged and hung-up trees, as there has been a number of very serious accidents in this area of late.

A motion was passed authorizing the Secretary, Bruce Gibbs, or the President, Barry Martin, to sign cheques for payment of accounts on behalf of the Bancroft Safety Committee. This was moved by Gary Bruce and seconded by Gary Cannon.

The next meeting is to be held at the River Bend Coffee Shop on February 10, 1972, at 7:30 p.m. Please plan to attend and bring a friend.

Carnarvon News

We are sorry to report that Mr. Walter Harrison underwent surgery last week in the Lindsay Ross Memorial Hospital, but we understand that he is getting along nicely.

Miss Lynn Barnhart was in the Sick Children's Hospital, Toronto, last week for an operation and she is now home and getting along well.

Mrs. John Stewart, who has a cottage on Boskung Lake and also a permanent home in Minden, is also in the Toronto General Hospital.

Congratulations to Mr. and Mrs. Dennis Billings (nee Wendy Nesbitt) who were married on Saturday. They are to be living in Lindsay.

We are looking forward to our annual Winter Carnivals - Haliburton on the weekend of the 22nd and Minden on the weekend of the 29th. Carnarvon, as usual, will be serving a turkey dinner, and we would like to welcome many of our summer friends to this event.

Minden News Notes

Constable Ed Malloy of the R.C.M.P., Ottawa, was a visitor with Mr. and Mrs. Larry Scott (his sister).

Congratulations to the newlyweds Mr. and Mrs. Dennis Leroy Billings (nee Wendy Jeanette Nesbitt) whose wedding was on Saturday.

We would like to wish a speedy recovery to Mrs. Harry Cowan of Blairhampton following surgery in St. Joseph's Hospital, Peterborough. She is in Room 342.

Miss Lola Stevenson of Kingston was home for the funeral of her grandfather, Mr. John Davis. Others here from out of town were Mr. Terry Davis of Pontypool, Miss Connie Davis of Toronto, Mr. and Mrs. Mel Smith of Oshawa, Mr. and Mrs. Ivan Clarke of Oshawa, Mr. and Mrs. L. Lees and family of Toronto, Mr. and Mrs. Stanley Little of Bewdley, and Mr. and Mrs. Allan Hobden of Lindsay.

Several deaths have occurred since last week, with sincere sympathy going to the families and friends of Mrs. Aylmer

Moore, Mr. Harry Dobson, Mr. Bert Coulter and Mrs. Margaret McKnight.

Patients at the local Hospital early this week included Mrs. Holly Cooper, Mrs. Linda Thompson, Mrs. Marjorie Bagshaw, Jacob Graham and William Dovell. At the Toronto General Hospital are Mrs. Bob Harvey Sr., Miss Beverley Ann Prentice, and Mrs. Ken O'Brien and new baby girl.

In the "Guess the weight of the Bolonga" Contest at Easton's Red & White the winner of the hamper of groceries for the correct weight was Charlotte O'Neil.

Hilda and Mac McCarey have a new granddaughter, Melissa Inez Figueiredo of Binghampton, New York, who arrived on January 4.

Another serious accident on Sunday, when a snowmobile driven by D. E. Beemer of Toronto collided with a car.

We understand that there will be Ice Sculpture and Snowmen for our Winter Carnival, so the young people will get busy when there is packing snow.

Minutes Of
Monmouth Twp.
Council Meeting

The Regular Meeting of the Monmouth Township Council was held on January 10, 1972, with the Reeve and all Councillors being present.

The meeting was opened by the reading of the minutes from the previous meeting.

The following appointments were made by the Council: Library Board - Mrs. Pat Barnes, Mrs. Kathy Anderson and Mrs. Winnie Schofield for a two-year term and Mrs. Lynn Storey and Mr. Keith Cameron for a one-year term; Community Centre Board - Lee Clark, Sylvia Tallman, Charles Lindsay, Fred Taylor, Reg Schofield, Art Barras, Dwayne Tighe and Gary Agnew. All other appointments were made the same as the previous year, and the appointees duly notified.

The following Accounts were noted and passed for payment: General \$4,035.72, Welfare \$455.94 and Roads \$28,408.72.

A substantial increase in wage rates was voted for all municipal employees, and it is hoped the good work done by the employees in the past will be carried on in the future.

The Reeve and Clerk were authorized to sign a borrowing by-law for municipal funds in the amount of \$7,500.00.

After considerable discussion on matters of interest to the township, the meeting was adjourned until 7:30 p.m. on February 7.

OBITUARY

MRS. MARGARET MCKNIGHT - Interment was made in Evergreen Cemetery at Haliburton.

Mrs. Margaret Agnes McKnight (nee Packard) passed away on Friday, January 14, 1972, at the Peterborough Civic Hospital; in her 75th year.

She was the beloved wife of Robert McKnight, and is survived by sons Basil, Stanley and Gerald; daughters Gladys, Eileen and Joyce; eight grandchildren and six great grandchildren; and a sister, Theresa Miller.

Mrs. McKnight rested at the John Welch and Son Funeral Home in Minden, thence to the Kingdom Hall at Haliburton for service on January 17.

The pallbearers were grandson Lyle Bentham, Alan Hoxie, Ralph Cooper, William Burns, Ron Petrini and William Borden.

DEPARTMENT OF
TRANSPORTATION AND COMMUNICATIONS
NOTICE TO SUPPLIERS OF
CEDAR OR TREATED ROUND WOOD POSTS
SUPPLY CONTRACT NO.(S) SA-71-3459
DISTRICT - HUNTSVILLE

Sealed Tenders on forms supplied by the Department for the above Contract(s) will be received by the District Engineer, Department of Transportation and Communications, 207 Main St., Huntsville, Ontario; until 12:00 o'clock noon local time
WEDNESDAY, FEBRUARY 2ND, 1972.

Specifications, Information to Bidders, Tender forms and envelopes may be obtained by calling at or by mail addressed to the District Engineer at the above mentioned address.

The lowest or any Tender not necessarily accepted.

The Big Mail-out has begun.

Tax reform legislation has been approved by Parliament and is now law.

What does tax reform mean to you? How will it affect you?

To answer these questions, the Department is conducting a massive national mailing program. Booklets are now being printed and mailed to all taxpayers as quickly as they come off the press.

The complete mailing will be finished in about four weeks.

All taxpayers will receive at least two booklets—

"Highlights for Individuals" and "Valuation Day". These should provide answers to most of your questions.

Some taxpayers will receive additional information, according to their specific needs.

Read your booklets. Afterwards, if you have questions, ask us. We'll be glad to help.

You will find that your booklets will make it easier to file your income tax return in 1973, because they will help you to prepare now.

CARD of THANKS

I wish to take this opportunity in thanking friends for cards, phone calls and visits while I was in St. Joseph's Hospital, and also to the Nurses, Dr. Good and Dr. Meade. Special thanks to the ladies of Eagle Lake for their cards and lovely basket for Christmas, and also the West Guilford Ladies Aid for cards and visits while I was staying at Mr. and Mrs. G. Bain's home. I am now in Princess Margaret's Hospital in Toronto, Room 398, 3rd Floor, for treatment and would be glad to hear from friends. Thanks also to Mr. Reg Tripp of Toronto for transportation to the Princess Margaret Hospital. Thank you all.

Tom Mungham,
Eagle Lake.

We wish to express our sincere thanks and appreciation for the most thoughtful acts, floral tributes, prayers and cards of sympathy expressed by our dear relatives, kind neighbours and friends during our time of sorrow in the loss of a husband and father, George Brennan. We will always remember your gracious kindness.

Ethel Brennan

IN MEMORIAM

ANDERSON - In loving memory of a dear husband, father and grandfather, Christie Anderson, who was called home on January 20, 1970.

Just as you were, you will always be
Treasured forever in our memory.
—Sadly missed by Wife and Family.

WOOLACOTT - In loving memory of Wilfred Woolcott, my husband, who passed away on January 13, 1967.

In loving memory of my dear husband,
Of those they leave behind;
Loving and kind in all his ways,
Upright and just to the end of his days,
Sincere and true in heart and mind,
Beautiful memories he left behind.
—His loving wife Ada.

Earl Hewitt, Road Superintendent; and Seigmund Weiss, By-Law Officer.

Moved by R. Windover, seconded by R. Booth, that the minutes of the meeting of December 8, 1971, be approved. Carried.

Moved by R. Windover, seconded by R. Gorrie, that the Clerk be authorized to tender for a dump truck, the specifications to be supplied from the Department of Transportation and Communications; subject to the approval of the Department of Transportation and Communications. Carried.

Moved by R. Booth, seconded by D. Pritchard, be it resolved that the Road Superintendent be authorized to tender for a replacement for the Trojan leader, with trade-in of Trojan on a comparable unit; subject to the approval of the Municipal Road Engineer, Department of Transportation and Communications. Carried.

Mr. P. E. Davidson, P. Eng., Regional Engineer for the Department of the Environment Waste Management Branch, was present to discuss with Council the various controls and procedures that will be necessary to maintain the present Scotch Line Dump and any others. Mr. W. Titzmann, Mr. J. Garbutt and Mr. B. Stevenson were also present as concerned residents who live in the area where the dump is located. Discussion centred on the transformation from a dump site to a land fill site. Considerable increase in costs are expected in this change. Council, at the same time, felt that the municipality continue looking for a new site away from any residential area. Everyone present agreed that there will be great difficulty in locating a new site.

A Draft Plan of Subdivision was received from the Department of Municipal Affairs for Lot 8, Concession 13, Minden Township.

A Draft Plan of Subdivision was received from the Department of Municipal Affairs for Lot 4, Concession 7, Minden Township.

Hall's Lake News

Another Christmas has come and gone and a lovely time was had by all, it seems, around this little community. Pretty lights brightened up the snow-laden hills and dales and across the still-unfrozen lake. Just this past week have the fishermen dared out on the not-so-safe thickness of ice to try their luck. Snow machines have been buzzing around and a big safari from Fenelon was planning on coming through on Wednesday, weather permitting.

Before Christmas the ladies (and Bill Mole, People's Warden of St. Stephen's Church, Boskung) held their Christmas turkey dinner at Stinson's of Hall's Lake. Santa distributed presents to all and it was decided that evening to pay off the Synod for additional land purchased for the church cemetery before the year's end, and this was a real accomplishment. The Ladies' Guild is to be commended for their support in this as in all improvements concerning the little church at Boskung.

St. Stephen's Day (the Sunday following Christmas Day) was celebrated by a Service of Communion at 11:00 a.m. in the little Boskung church. The Reverend Andrew Hutchison conducted the service and congregations were present from the other Anglican churches in the Parish, including Kinmount, Minden and Burnt River. Several choir members from St. Paul's, Minden, were on hand to lead the good singing, as was Mrs. G. Kellett to play the organ. Never did the little church look more beautiful with its red candles glowing brightly in the recessed windows and the poinsettias and greenery adding to the touch of Christmas. Following this hour of worship, Mr. and Mrs. William Gartshore opened their home to everyone for a reception and many new acquaintances were made over a cup of delicious hot tea.

On Christmas Eve Miss Marjorie Johnson, recently home from Ethiopia, opened her lovely new home for an old-fashioned caroling and the children and young people dressed in costumes enacted the nativity scene with Rosemary Stinson doing the narrating. The Cummings children, the Stinson girls and the Lamperd girls, visiting their aunt, did the character roles. Althea Gartshore played the organ, and it was an altogether lovely way to spend Christmas Eve.

Mrs. Elsie Bursey entertained friends at a Fondue Party one evening during the holiday, and it was a real success.

Carolyn Hewitt and Rosemary Stinson were home from Guelph University for the holidays and Bonnie Stinson was home from Mohawk College in Hamilton. Ken Hone Jr. was home from his medical career in the Armed Forces at Ottawa for eleven days of leave, looking very fit and happy with his choice of work.

The Gartshores and Miss Johnson had their neices and nephews and great neices and nephew visiting with them over Christmas and the New Year, namely the Lamperd family and the Alford family from London.

Miss Ella Forsyth of Toronto was Elsie Bursey's Christmas guest and they had Christmas dinner with the Stinsons, along with Mr. and Mrs. Al Rawlins. The Rawlins played host to Mrs. Bursey and the Stinsons on New Year's Day and their son Ken was home from his cruise in the South Seas and his girl friend was a house guest over the New Year holiday.

The Gardners and the Jennings spent their holidays at their cottages on Hall's Lake and enjoyed snowmobiling.

Mrs. Hazel Welch and Ruth and Murray McGuire spent Christmas in Toronto with Mr. and Mrs. John Anderson and daughter Lindsay.

The New Year's Eve Party at Club 35 was well attended and a good time was enjoyed. Good music was provided by Bill Johnson, Harry Bagshaw, Marion Hounsill, Elmer Russell, Jack Johnson and Bill Gartshore. Old time dancing as well as modern was enjoyed, and prizes and balloons added to the fun of a typical New Year's Eve Party. At midnight a delectable smorgasbord supper was served, prepared by Len and Doreen Stinson and family.

Bill and Vivian Gottwald have

sold Oakview Lodge. They are hard workers and have made quite a name for themselves in the catering business, and are noted for giving people a good time at their hospitable establishment. Whatever they intend to do, we wish them success and all the best.

Mr. Albert Hart has returned from Toronto where he spent the holidays with his daughter and her husband and family.

A Valentine Party is coming up for Club 35 members and friends and it sounds like a really nice affair. Being a box social, it should create some excitement, for the boxes will be auctioned off and the person getting the box eats with the one who made it up. Ladies are to wear a red hat (make one out of paper) and apron, and prizes are being given for the prettiest and the funniest.

Gooderham News

(Intended for Last Week)

We are sorry to report that Mr. Harry Bates is on the sick list.

Mrs. Violet Billings is visiting with Mr. and Mrs. Robert Madill and family of Selkirk.

Visitors with Mr. and Mrs. Thomas McColl were Mr. and Mrs. Roy McColl and family of Bowmanville, Mr. and Mrs. Ted Engles and family of Oshawa, and Mr. and Mrs. Roy Judson and family of Caesarea.

World Week Of Prayer For Unity

As you read this, members of Christian churches throughout the whole world will be marking this week in a special way. This week they pray for a unity of spirit in their lives. It may not be realistic to think about all denominations becoming one either this year or next, but there can be another kind of unity. This week we all pray that each one of us may be more open to the indwelling spirit of Christ. As we experience the power of Christ's love in our own lives, we pray that we may show forth this love in our relationships with our fellow man — our own neighbour, even the people in our own homes. We can become united in the care and concern we show for all of God's men, women and children.

The Week of Prayer observances began on Tuesday morning at the regular 10:00 a.m. service in the Chapel of the Hyland Crest Home for Senior Citizens in Minden. Men and women of several churches came together as they shared in the breaking of bread — the Holy Communion. Visitors as well as residents of the Home celebrated the presence of Christ in their midst. The Reverend Frank Ford, Rector of the Parish of Haliburton, was celebrant. Miss Dorrie Clarke played the organ.

The first verse of the opening hymn summed up the entire worship experiences that are shared in the Chapel Tuesday by Tuesday —

Breathe on me, breath of God,
Fill me with life anew,
That I may love what thou doest love,

And do what thou wouldst do.

See notices elsewhere in this newspaper for other special worship opportunities near you.

A New Club Proposed For Area

A preliminary meeting was held recently at Maple Lake relative to the formation of a club for all those interested in becoming associated with the raising of rabbits for meat, fur and show.

Great interest was displayed in the fast growing rabbit industry which is becoming very much to the front in Canada. It was pointed out that people are becoming more and more involved in this business as a hobby, a supplement to income, or as a full time occupation.

Men, women and the youth are eligible for membership in Rabbit Clubs and many are finding that raising rabbits is a good retirement project and interesting.

More people are needed to make a very interesting addition to our area organizations.

NOTE: For further information see the advertisement in this issue of the Echo.

\$500 Damage

Calvin Wesley Kent of Minden told the Minden Detachment of the Ontario Provincial Police that he was braking to avoid a collision with a snowmobile when he lost control of his car last Saturday night and struck a bridge abutment on the Horse-shoe Lake Road just north of Minden. Damage to his vehicle was estimated at \$500.

Constable Michael Hickey of the Minden O.P.P. Detachment investigated the mishap.

able meals for everyone who attends, and there is always plenty of seconds, so come along and eat heartily.

Gigantic Parade

Everyone loves a parade, and the Haliburton Winter Carnival Committee are going all out to make this year's parade one of the best. Led by the Bobcaygeon Villagaires Drum and Bugle Corp the monster parade will leave the Arena grounds at 2:00 p.m. and proceed down the main street — the winning floats and the band, plus the Carnival Queen, will be presented at the Review Stand next to the Bank of Montreal.

Following the parade, a band concert featuring the Bobcaygeon Villagaires will take place at the Haliburton Arena. This will precede the broomball game and the half-hour display of figure skating by the Haliburton Figure Skating Club.

Fireworks Display

The biggest fireworks display ever to be seen in Haliburton County will take place between 8:30 and 9:00 p.m. on Saturday at the Arena grounds. If you thought that last year's display was good you haven't seen anything yet. All adults are urged to let their children stay up a little longer in order to get in on the fun at this spectacular carnival event.

A huge bonfire will also be going in order that everyone can keep warm during the display. Don't miss it!

Carnival Feast And Cocktails

On Saturday evening from 5:30 to 8:30 p.m. the Legion ladies will be putting on the big event at the Legion Hall. At 5:30 p.m. the bar will open and at 6:30 the ladies will begin serving a big dinner with all the trimmings. The Andres Wine Co. are co-operating with the Carnival Committee in making their wines available to the dinner guests at a nominal charge. Entertainment will take place during the dinner and it promises to be a lot of fun. Why not make up a party of eight or ten and plan to attend.
